FRIDAY, MAY 23, 1924

Full Program Planned for Scout Troop

The Scouts of Troop One, Sierra Madre, have a full schedule of good things ahead for the next few weeks—not only in the way of entertainment and fun, but of good turns and helpful service.

Friday night, of this week, both the senior and junior divisions will meet together for the first of several council fires that are to be held during the summer. There will be games and contests, between the two divisions, led by the troop and patrol leaders. Also, there will be songs, instrumental music, yells and a general good time, as well as a regular council session in which many matters of importance and interest to the troop will be presented. Scoutmaster Stovall, too, will tell his usual story. This council session will be held just outside the bungalow barracks at the school grounds. Later on, the councils will be held on Scenic Point and other selected places.

Next Monday evening a number of Troop One scouts will attend the Court of Honor session at Monrovia, which will be held in the First Methodist church. Prizes are to be given scouts who have the greatest number of merit badge applications, and also to the scout and the patrol who show up best during inspection. All the troops of district four will compete, and it is hoped that Troop One will bring away at least a few of the honors. There will be "ents" of pie and ice cream. Troop One has offered to contribute at least ten pies for the "feed."

Summer Camp

Scouts of Sierra Madre are now signing up for summer camp at Catalina. Troop One will attend the second camp of ten days—from July 9 to 19 inclusive. It is expected that thirty or more boys from Sierra Madre will go this year. Ivan Munson and M. S. McCane, assistants, and Dennis Stovall, scoutmaster, all expect to go with the scouts of the local troop and remain in camp during the entire ten days.

The cost this year will be the same as last—\$12.50, which pays transportation to and from Pasadena to Cherry Valley on the island, and covers the price of meals during the days in camp. Scouts are provided with application slips, which must bear the signature of parents and scoutmaster, and be sent in to headquarters during the next few weeks. A deposit of \$2 is required with the application, which sum is credited on the \$12.50.

MOUNTAIN WATER LURES MANY A LOCAL WALTON

According to telephonic communication to the News from managers of many of the mountain resorts in the Sierra Madres, fishing is regarded as at its best on account of the lowness of the water this year.

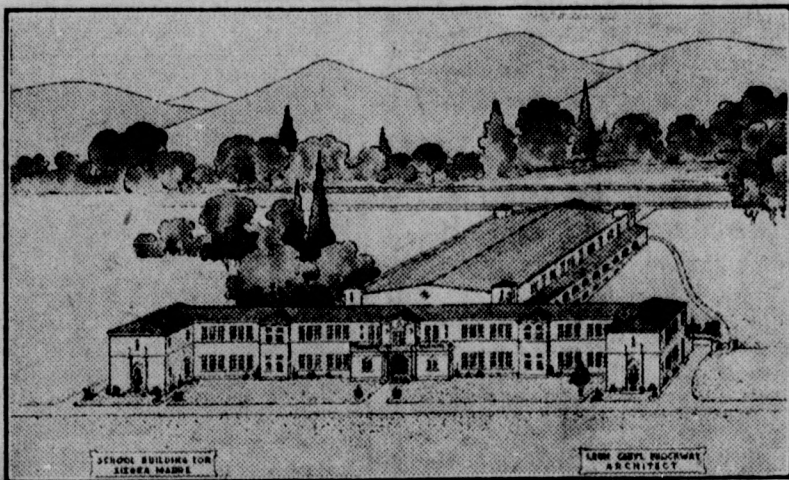

Many limits are being taken daily and some large ones are reported. Last Sunday a 4½ pound rainbow measuring 24 inches was caught near Camp Rincon on the San Gabriel. Mrs. DeVore of Camp West Fork reports that one measuring 22 inches was caught by her son, Kenyon, two miles below camp.

Many fishermen are finding good sport in the Big Santa Anita, according to R. B. Hosford of Fern Lodge and Joe Clark of Roberts Camp.

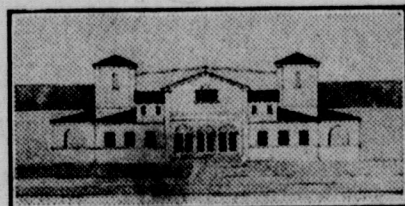

MOTHERS AND GIRLS ENJOY FINE DINNER

Mothers and daughters to the number of 75 participated in a splendid dinner and program in the parlors of the Congregational church last Friday evening, in celebration of "Mother and Daughter Week." The daughters furnished most of the program, with the exception of an appropriate address by Dr. W. A. Tate.

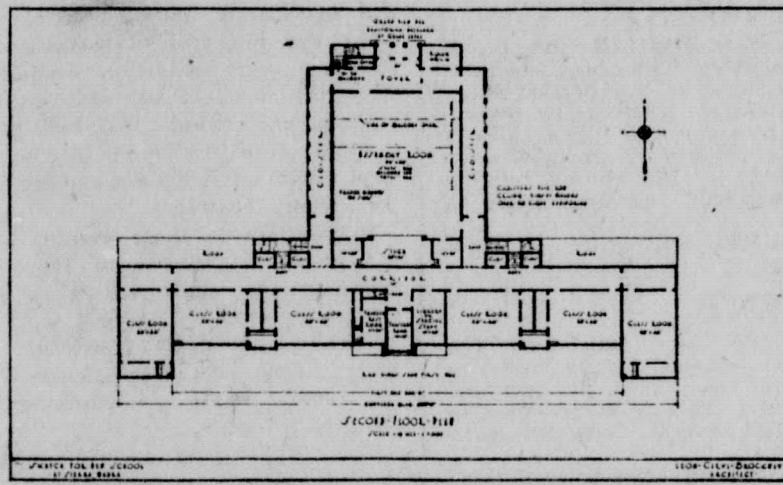

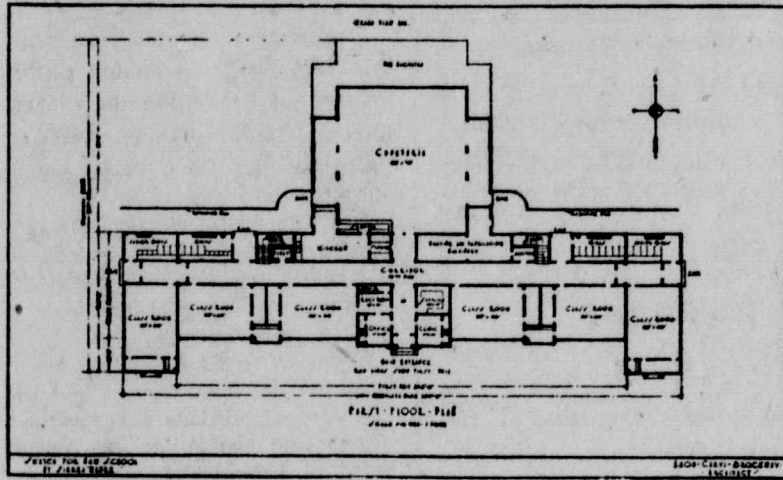

ELEVATIONS AND FLOOR PLANS OF THE PROPOSED SCHOOL BUILDING AND AUDITORIUM

Above: South elevation of proposed school building; floor plans at right. Only eight school rooms and auditorium to be built at once. Rooms at extreme end of wings, indicated by dotted lines, to be added as needed.

At left: North elevation as seen from Grand View Ave. approach to auditorium.

Keen enthusiasm marked the discussion of the school building enterprise and bond issue at the Tuesday luncheon of the Chamber of Commerce. The crowd which gathered for the meeting packed the Sierra Madre Cafe to the doors, and everybody stayed to the conclusion of the meeting.

L. C. Brockway of Pasadena, architect of the work, was introduced by Chairman Harvey Steinberger. He showed pictures and plans for the proposed school unit and auditorium building, pointing out various features of interest. He said he was

positive, in the light of recent experience, that the building could be erected for the price estimated.

President Anderson of the school board said the trustees had chosen Mr. Brockway only after careful investigation. They had found him highly recommended by the Pasadena school authorities, both teachers and board of education. Their subsequent relations with him they had found exceedingly pleasing and giving every indication of competent and satisfactory service throughout the building program.

Principal Elizabeth Steinberger

spoke briefly about the need for an auditorium. It is not a thing to be used only a few times a year, as some suppose, she declared. It would be used for general assembly of the school three or more times a week. Many other events which cannot now be held by the school would be added as important and valuable factors in education. Many splendid speakers are available if the school had a place to give them a hearing. At present it is not feasible to invite people of large caliber to the school when the pupils of only one or two rooms can be gathered

in one place to hear them. An auditorium or place for general assembly is recognized by all educators as absolutely necessary for the best public school work, Miss Steinberger declared.

The necessity for an auditorium having been questioned so often, Miss Steinberger's remarks seemed to make a particular appeal to the audience which responded with hearty applause.

It was announced that windshield stickers would be provided in a few days and plans made for getting out a big vote at the election on June 9.

BIG WEEK IS ARRANGED AT THE WISTARIA

Patrons of the Wistaria theater should note the change in time for evening programs. Through the summer the first show will begin at 7:15 and the second show at 9:00 o'clock.

Two special guest audiences have greatly appreciated the courtesy of Mr. and Mrs. Brown this week. On Monday night about 75 members of the Woman's club saw "A Chapter in Her Life," a film strongly endorsed by the Federated clubs, as an example of high class film production. On Wednesday night the team workers and officers of the Chamber of Commerce attended the second show in a body after the Gold team had treated the victorious Blues to dinner.

In "Let's Go," which comes Saturday and Monday, Richard Talmadge is said to achieve a record for the number of thrilling stunts included in one film. No fake or trick photography is resorted to. Eileen Percy and Tully Marshall share the honors.

For Tuesday and Wednesday the feature is "Fashionable Fakers," starring Johnny Walker, with Mildred June and a big cast. By means of a magic carpet the hero whirls through an amazing variety of happenings, some of which are extremely funny.

"Where is This West?" is a western of a different type. It has a lot of adventure, but most of the adventure is as funny as a Chaplin comedy.

"International News" made its bow at the Wistaria last night and will be shown regularly on Thursday and Friday nights. This is conceded to be the best news film made and will doubtless prove a strong attraction.

Judge Keating at Community Club Meeting

Hon. J. Edward Keating will address the Men's Community club, Thursday evening, May 29th, on "Immigration and National Policy."

Mr. Keating was assistant secretary of labor under President Harding, resigning that office to become counsel to the United States Shipping board in Southern California.

While in the department of labor in Washington, Mr. Keating was in charge of immigration appeals, and since resuming private practice he has given special attention to cases involving the rights—and wrongs—of individual immigrants. He has thus had unique opportunity to study the immigration problem from all angles, and he has besides, the reputation of a forceful speaker. Every citizen should hear his message on Thursday, 7:30 p. m., at the Congregational church.

Mr. Keating's attendance was secured through the courtesy of W. E. Doty, president of the Sierra Madre Civic association, and a special invitation is extended to members of that organization to meet with the Community club on this occasion.

It will be "ladies' night" at the club dinner, served at 6:30 p. m. All who desire to share that part of the program should make reservations in advance by purchasing tickets at Hartman's Drug store, or from Mr. S. R. G. Twycross or Mr. Daniel Shaffer.

A. E. Adams of 161 East Grand View avenue is now in Grand Rapids, Mich., attending the general session of the Presbyterian church. He is one of the 12 delegates chosen to represent the Los Angeles Presbytery.

JACK HAYDEN PASSES AWAY IN NEW YORK

Jack Hayden of West Mira Monte avenue passed away in New York City Sunday, May 16, according to information received this week from Mrs. Hayden, who was with him. To his many friends here the news came as a severe shock as few of them had any inkling of his illness.

Mr. Hayden was a well known figure in the fine fur business, having travelled for years throughout the country for one of the important New York manufacturers and importers. About five years ago he bought the property on the west side of Baldwin avenue between Olive and Mira Monte. Between trips on the road he and Mrs. Hayden spent their time there and took great interest in its improvement. Mr. Hayden was genial and generous, a great lover of books and the possessor of a splendid library in which he took great pride.

Just before starting on his last trip east, Mr. Hayden told friends here that his health was very poor and appeared to be discouraged at failure in his efforts to find relief. While in New York an operation was performed but failed to give relief hoped for and the end came soon afterward.

DEAD DEER IS BIG MYSTERY

Out of season and in forbidden game preserve territory, somebody appears to be guilty of killing a deer early in the week on or near the Hastings ranch. The dead deer was found with a bullet wound indicating a deliberate killing. Marshal A. M. Udell was notified by ranch employees and made an investigation but there was no means of identifying the culprit, who would face a penalty of \$300 if found.

C. OF C. TEAM WINNERS ARE GIVEN DINNER

All the enthusiasm of the team workers in the recent Chamber of Commerce expansion campaign was renewed and released again at the dinner Wednesday night when the victorious Blues were dined by the Gold team. Major Mitchell presided at the inviting table set by the ladies of the Episcopal church in the parish house for the chicken pie dinner. Major Hawks sat at his side with his captains, Emley and Griebnow, and their teams on one side of the square. On the other side sat Captains Norris and Stovall and the Gold teams. The rivalry of the campaign was continued in songs, yells, and the effort to see who could stow away the delicious menu most completely.

Having proved the efficiency of the team organizations in one campaign, Major Mitchell and Secretary Berg of the Chamber of Commerce put it up to the men to tackle another job and complete the raising of funds for the Foothill Boulevard electric signs. About \$1,000 is needed and plans were made to push the enterprise to completion.

Through the courtesy of Manager Brown of the Wistaria Theatre, a member of the Blues, the whole company went in a body to the theater to see the second show. The progress of the auto procession through town and arrival at the show house gave ample evidence of the abundant energy which the merry crew possessed for anything to be undertaken.

Mrs. Fay Kreer of West Mira Monte avenue will be the soloist at the morning service in the church of the Ascension next Sunday. Mrs. Kreer was formerly prominent in musical circles in Pittsburgh and her singing has given rare pleasure on the few occasions when she has been heard here. She will sing "On Divine Redeemer."

Premium Is Offered for Water Bonds

Offering a premium of \$612 on the \$100,000 issue, the California Company of Los Angeles made the high bid for the municipal water bonds at last night's meeting of the City trustees. For 5 per cent bonds and considering the present bond market the premium was considered a good one.

Other bidders and premiums offered were: Security Co., \$575; W. R. Staats Co., \$278; Aronson & Co., \$110. All the bids were referred to the committee of the whole for consideration.

Street Bids

Several hundred dollars appear to have been saved on the improvement of Laurel and Merrill avenues by re-advertising for bids. The prices quoted were materially lower than first submitted and were so close that detailed calculation will have to be made by City Engineer Gierlich to determine the low bidder. H. H. Steinberger, A. O. Nelson and Tracey & Combs were the bidders. A drop in the price of cement and keener competition for jobs were generally given as the reasons for the lower prices.

Motor Insurance

Bids were also received on the insurance of the city's electric motor equipment from burnout or other internal injury. Three-year policies were offered as follows: Eagle Indemnity Co., \$693.16; Columbia Casualty Co., \$700.54; Mrs. Genevieve Nuetzel, representing Ocean Accident and Indemnity Co., \$700.54, with an alternative policy at \$697.32.

MORE

These bids were referred to committee of the whole for consideration. Investigation of the cost of repairs over a period of years by City Clerk Dietz caused the trustees to question the economy of spending the money for insurance.

Bacon Appointed

E. E. Bacon was appointed to fill the vacancy on the board caused by the resignation of Robert Mitchell. He had been very reluctant to accept the post on account of his health but consented to do so after much urging and because of the need for immediate filling of the place.

W. E. Doty, who had been recommended for the office by various organizations and individuals, was ruled by City Attorney Baker to be ineligible. It was pointed out that he had not registered as a voter early enough in the year and his appointment now might jeopardize the legality of bond or other proceedings on which he might vote.

Application of B. R. Elkin for a permit to erect a gasoline service station on the east side of Baldwin avenue, the second lot south of Montecito, was referred to the street superintendent and engineer. They will decide what form of approach may be necessary over the deep gutter and whether the type of building proposed is suitable.

MEMORIAL DAY AT SCHOOL ON THURSDAY, 29TH

Appropriate Memorial Day exercises will be held at the Sierra Madre school on Thursday, May 29, according to announcement of the principal, Miss Elizabeth Steinberger. The program will take place at 2 o'clock and a cordial invitation is extended to the public, for whom seats will be provided.

Members of the Grand Army of will be special guests for the occasion. It is hoped all veterans of the Civil war residing in Sierra Madre will be present, and as many of the veterans of other wars as possible. Scoutmaster Stovall and a group of Boy Scouts will assist in the program.

Mr. Sutton of Los Angeles, who is engaged in probation work for the county, will deliver an address.

Right Here at Home! WISTARIA THEATRE

Sierra Madre

For Week Beginning Saturday, May 24th

Saturday Matinee and Evening and Monday Evening—

LET'S GO

RICHARD TALMADGE, supported by Eileen Percy, Tully Marshall and George Nichols.

WHAT YOU WILL SEE: A thrill a minute—A flying leap across a 20-foot chasm, 50 feet from the ground—The queerest blood-hound chase ever screened—The crook who insisted on being locked up—A fight that lasted two miles.

FIFTEENTH Episode of "CAP'N KIDD."

Tuesday and Wednesday—

FASHIONABLE FAKERS

JOHNNIE WALKER and MILDRED JUNE. A FUN-FEST. Listen to this: A youth—a girl—a rug—a swirl—a kiss, a hug—oh bliss. See the Magic-Carpet at work. Get your smile working properly. "Fashionable Fakers" would wrinkle the face of the man in the moon.

FIFTH Chapter of "FIGHTING BLOOD."

Thursday and Friday—

"WHERE IS THIS WEST?"

JACK HOXIE, MARY PHILBIN, SID JORDAN and SLIM COLE. John Harley was happily juggling milk-cans, when he received a telegram announcing his inheritance of half of a Western ranch. He starts west with another milkman. They had no money, so had to ride the rods. The cowboy foreman had designs on the ranch, and planned a reception with his cowboys for the new owners. Of all the things they did to them—But Harley falls in love with Sallie, the owner of the other half and they decide to make it a real partnership.

A COMEDY and the INTERNATIONAL NEWS.

Saturday Matinee and Evening—

EXCITEMENT

LAURA LA PLANTE, the star in "Sporting Youth" and "The Dangerous Blonde." When six men love one girl there's bound to be some excitement. She married one of them in an airplane and kept him "up in the air" for weeks. Did she ever come down to earth? Do high-speed girls make satisfied wives? Come and learn what a marriage vacation is.

The last Episode of "Cap'n Kidd." If you have followed him through or just heard about him, you will want to see the finish.

Scouts Will Have Contest In the Bowl

Every man, woman and child in this community is invited to be the guests of the Pasadena District Council, Boy Scouts of America, at the Pasadena Rose Bowl (stadium) on Saturday, June 7th.

On that day will be the annual Outdoor Boy Scout Contest in which 60 troops, making over 1,300 Scouts including those from our own community will compete.

From 10 to 12 o'clock in the forenoon will be mass games and sports. The contest will start promptly at 1 o'clock and the public are invited to be there between 12 and 1 p. m.

The events in this contest which will be snappy and interesting include the following: Inspection of troops, a novel contest in semaphore signalling, Scout Pace, wall scaling, bugling, and perhaps the three most exciting events will be the equipment race, water-boiling contest and the archery contest.

In addition to these events there will be demonstrations by the individual troops which will be of extreme interest.

There will be 65,000 free seats and every Scout who has friends, and the general public are cordially invited to attend.

This event is of such magnitude that already photographers and moving picture people are asking for exclusive rights to take pictures of the events.

INTEREST IN TENNIS MEET GROWS WEEKLY

The local tennis tournament still goes merrily on with keen interest on the part of the players. Next Saturday the games will be played on the community tennis courts, which are in fine condition for play.

The games of interest last Saturday were those in which Dr. Tate beat Merrill Jensen 6-4, and Victor Hill and Merrill Jensen defeated Emley and Kronos 6-4, 6-5.

All players in the singles, men's doubles and mixed doubles are requested to be on the courts next Saturday at 1:00. The semi-finals of the singles will be played, and those of the mixed doubles. The first round of the men's doubles will be completed.

All players not present next Saturday will lose their games by default. The management has been more than lenient in this respect but in order that the tournament may be concluded within a reasonable time and the interest sustained no absences will be allowed next Saturday. Refreshments will be served by the League of Youth of the First Congregational Church.

Resolutions of appreciation were unanimously passed by the players and friends for the courtesy of Mr. and Mrs. W. J. Lawless in allowing the use of their court, and to the League of Youth of the Congregational church for their co-operation in making the tournament refreshing as well as entertaining.

Must Vote in Czechoslovakia.

Voters in Czechoslovakia are punished by a fine of not less than twenty Czechoslovak crowns nor more than 500 Czechoslovak crowns for their failure to appear at the polls on election day. In certain extreme cases excuses are accepted.

At Sea.

Old Maid—"I suppose you have been in the navy so long you are accustomed to sea legs?" Middle—"Lady, I wasn't even lookin'."

NEW ICELESS REFRIGERATOR ON DISPLAY

Electric refrigeration is the latest branch of the electrical industry to engage the attention and energy of G. I. Farman of the Sierra Madre Electrical company. As a result he has put in operation in his store a sample of "Serv-El" which he believes is the best thing of the kind on the market.

"Serv-El" looks like an ordinary large white enamel refrigerator, except that this one has glass doors for easier demonstrating purposes. In the bottom compartment is the electric motor, compressor and mechanical apparatus for the refrigeration process. The gas used in the compressor is methyl-chloride, which is odorless and non-poisonous. Some similar machines use ammonia or carbon disulphide, which cause trouble in case of leakage in the pipes. Absolutely no damage can result from leakage of the methyl-chloride.

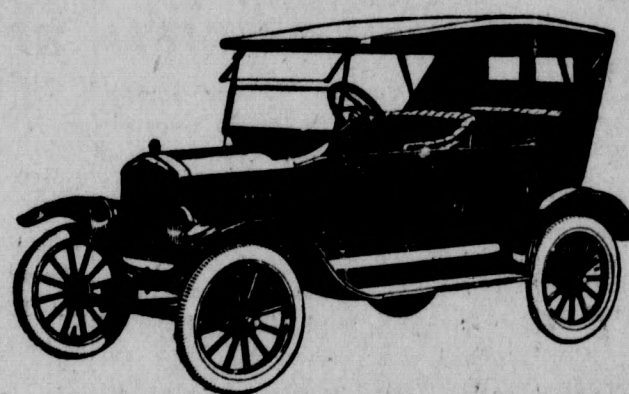

From the mechanism in the base the compressed methyl-chloride is carried by a small pipe to the refrigerating chamber in the top compartment. Two tanks filled with non-freezing liquid are brought down to any temperature desired. They affect the rest of the refrigerator as if they were two large cakes of ice, except it is "dry" cold and the exact temperature can be regulated. By reason of the absolute dryness the interior of the Serv-El is odorless and different articles of food are not affected by one another.

Mr. Farman is enthusiastic about this new machine and more than glad to explain its working to anyone interested.

CHARITY BALL

The annual charity ball given by the Patrons' Association of the Order of the Eastern Star of Southern California will be held Tuesday, May 27, at the Goldberg-Bosley hall, 16th and Flower, Los Angeles. Tickets may be procured from Dr. Gilbert S. Bovard of the local chapter at a dollar each. These affairs are always enjoyable and the proceeds are devoted to a charity fund.

Mr. and Mrs. Convers L. Twycross and children and Mr. and Mrs. J. D. Sparks enjoyed a delightful motor trip to San Diego and Elsinore this week, returning home Thursday afternoon.

NOTICE OF SCHOOL BOND ELECTION

NOTICE IS HEREBY GIVEN To the qualified electors of Sierra Madre City School District of Los Angeles County, California, that, in accordance with the provisions of the Political Code of the State of California, an election shall be held on the 9th day of June, 1924, at the Kindergarten Building, in this School District, between the hours of 8 a. m. and 8 p. m. (during which period and between which hours the polls shall remain open), at which election the question of issuing and selling bonds of said District to the amount of ONE HUNDRED THOUSAND DOLLARS for the purpose of raising money for purchasing school lots, for building or purchasing one or more school buildings or making alterations or additions to any school building or buildings, for insuring school buildings, for supplying school buildings with furniture or necessary apparatus, for improving school grounds, shall be submitted to the qualified electors of said District and be voted upon.

The said bonds proposed to be issued and sold shall be of the denomination of One Thousand Dollars each and shall bear interest at the rate of five per cent per annum, payable semi-annually. Said bonds shall be numbered from 1 to 100 consecutively, payable as follows:

Bonds numbered 1 and 2, to run 1 year,
Bonds numbered 3 and 4, to run 2 years,
Bonds numbered 5 and 6, to run 3 years,
Bonds numbered 7 and 8, to run 4 years,
Bonds numbered 9 and 10, to run 5 years,
Bonds numbered 11 and 12, to run 6 years,
Bonds numbered 13 and 14, to run 7 years,
Bonds numbered 15 and 16, to run 8 years,
Bonds numbered 17 and 18, to run 9 years,
Bonds numbered 19 and 20, to run 10 years,
Bonds numbered 21 and 22, to run 11 years,
Bonds numbered 23 and 24, to run 12 years,
Bonds numbered 25 and 26, to run 13 years,
Bonds numbered 27 and 28, to run 14 years,

Bonds numbered 29 and 30, to run 15 years,
Bonds numbered 31 and 32, to run 16 years,
Bonds numbered 33 and 34, to run 17 years,
Bonds numbered 35 and 36, to run 18 years,
Bonds numbered 37 and 38, to run 19 years,
Bonds numbered 39 and 40, to run 20 years,
Bonds numbered 41, 42 and 43, to run 21 years,
Bonds numbered 44, 45 and 46, to run 22 years,
Bonds numbered 47, 48 and 49, to run 23 years,
Bonds numbered 50, 51 and 52, to run 24 years,
Bonds numbered 53, 54 and 55, to run 25 years,
Bonds numbered 56, 57 and 58, to run 26 years,
Bonds numbered 59, 60 and 61, to run 27 years,
Bonds numbered 62, 63 and 64, to run 28 years,
Bonds numbered 65, 66 and 67, to run 29 years,
Bonds numbered 68, 69 and 70, to run 30 years,
Bonds numbered 71, 72 and 73, to run 31 years,
Bonds numbered 74, 75 and 76, to run 32 years,
Bonds numbered 77, 78 and 79, to run 33 years,
Bonds numbered 80, 81 and 82, to run 34 years,
Bonds numbered 83, 84 and 85, to run 35 years,
Bonds numbered 86, 87 and 88, to run 36 years,
Bonds numbered 89, 90 and 91, to run 37 years,
Bonds numbered 92, 93 and 94, to run 38 years,
Bonds numbered 95, 96 and 97, to run 39 years,
Bonds numbered 98, 99 and 100, to run 40 years.

The following named persons, being competent and qualified electors of this School District, are hereby appointed officers of election to conduct said election, to-wit: Mrs. Anna B. Brandt, as Inspector, and Ethel H. Hawks and Ella V. Berg, as Judges, and said Inspector and Judges shall make return of said election pursuant to law.

IN WITNESS WHEREOF We have hereunto set our hands this 12 day of May, 1924.

Fire Caution Special Need of Visitors

Eastern motorists who are beginning to invade this section by thousands should be warned personally against carelessness with fire in the national forests, according to announcement by the touring bureau of the Automobile Club of Southern California. It is pointed out that while residents of this section are familiar with conditions and know that the long dry season makes extra precautions necessary, the stranger does not realize the danger of leaving camp fires burning and carelessly throwing away lighted matches or burning cigarettes.

"One tree will make a million matches—one match will destroy a million trees," is the lesson that should be impressed on all motorists entering the national forests and other sections where the dry undergrowth readily ignites and quickly gets beyond control. This situation entails constant thoughtfulness and every resident motorist is urged to impress personally the lesson upon visitors from other sections.

Care and Courtesy

There are nearly 20,000,000 acres in the nineteen national forests of California, the scenic beauties of which are open to the public. The only provision that Uncle Sam makes as host is that the visitors be extremely careful with their camp fires and matches, and that they refrain from polluting streams and scattering rubbish.

Last year more than 4,000,000 persons entered the national forests of California and 85 per cent of these used their own automobiles for conveyance.

During the rainless season additional rangers are placed in the forests. Airship patrols are maintained.

Radio broadcasting is used, and a most elaborate season of protection of trees and visitors is placed in effect.

Could Not Digest the Wire

The contents taken from the stomach of a large East African crocodile recently shot in Tanganyika territory include some curious and gruesome relics. Apart from antelope hoofs, tortoise shells and porcupine quills there were a large number of metal bangles such as are worn as bracelets and anklets by native women, beads and a long strand of wire. The strand of wire solved the mystery of the disappearance of a native boy. The lad was in the habit of gathering wood along the river bank and tying up his fagots with a bit of wire. The wire cord found in the crocodile's stomach was only too sure an indication of the fate of the unfortunate boy.

STEAMERS GO TWICE DAILY TO CATALINA

Starting Saturday, June 14, Catalina Steamer will go on summer schedule, according to announcement from the traffic department of the Wilmington Transportation company—Catalina Island company. Until the new steamship "Catalina" is ready for service, which is expected to be July 1, the steamer "Avalon" will sail from Wilmington at 10 a. m. and the "Caballo" at 5 p. m. The 10 a. m. sailing is daily and the 5 p. m. sailing is daily except Sunday.

From the island to the mainland, the steamer "Cabrillo" will sail at 8 a. m. daily except Sunday, and the steamer "Avalon" will sail at 4 p. m. daily.

When the new steamship "Catalina" is placed in service, she will leave Wilmington for the island at 10 a. m., and the "Avalon" will take the 5 p. m. run.

The new glass bottom boat "Princess" with electrical searchlights in her hull, will be put in service for evening trips over the Submarine Gardens early in June, and the fast power boat "Blanco-W" will also be operating by the middle of June, on nightly trips out of Avalon to see the flying fish. Meanwhile, the "Betty-O" is performing this service every evening.

Daily throughout the summer, after July 1, the steamer "Cabrillo" will make an Around-the Island trip and the modern appearance of the ing a daily trip from Avalon to the Isthmus.

Reservations for summer accommodations are coming in to all the hotels and villas at Avalon at a much faster rate than ever before. A banner season is expected. The Catalina Marine Band under the leadership of George Mulford, director, and Charles H. Porter, manager, will render daily concerts starting June 28. The band will be held over an extra week in September for the Elks convention, which takes place September 17 to 20, inclusive.

ALFRED HERTZ CONDUCTS FOR GALLI CURCI

Announcement is made by Manager Behmer of the engagement of Alfred Hertz to conduct the operatic concert to be given by Amelita Galli-Curci Thursday evening, June 5, at the Hollywood Bowl, Los Angeles. This completes the artistic details of what promises to be the greatest musical event ever held in Southern California, representing as it does the appearance of the most popular of the coloratura singers, with a leader of international fame, an orchestra of 90, accommodations for 15,000 music fans, and all at popular prices.

As there will be special rail and electric service from all cities adjoining Los Angeles, many parties are being arranged. Special traffic service at the entrance and for two blocks either side of the entrance will facilitate the movement of hundreds of motor cars. Inside the grounds there will be specially trained captains and assistants to insure the prompt seating of the patrons in anticipation of a prompt opening at 8:30. Never before has such a gala musical affair at popular prices, so every one may go, been attempted in Los Angeles. Special attention is directed to the mail order service for out of town patrons. All checks should be made payable to L. E. Behmer and sent to 705 Auditorium Bldg., where they will be filled in order of receipt. For the return of tickets, self-addressed, stamped envelope must be enclosed with order.

There will be hundreds of seats at all prices—\$1.00, \$1.50, \$2.00 and \$2.50, plus tax, but as the \$1.00 seats are unreserved, it is advisable to order the other prices by mail as then the seat will be awaiting even the latest arrival.

ANNOUNCEMENT

FANNIE I. MEDOW, D. C., PH. C.
CHIROPRACTOR

WILL OPEN AN OFFICE AT 41 SO. BALDWIN
AVE., SIERRA MADRE, JUNE 2

SPECIAL attention will be given to RESPIRATORY and DIGESTIVE DISORDERS THROUGH CHIROPRACTIC and other Nature Cure measures. I also successfully relieve many other complaints such as: Headaches, Constipation, Neuritis, Rheumatism, Nervousness, General Debility, Kidney and Bladder Disorders, Hay Fever, Catarrh, Head Noises, Throat Troubles, Menstrual Difficulties, etc., etc.

NATURE-CURE, DIETETICS AND OTHER METHODS OF HYGIENE ARE STRICTLY APPLIED IN NECESSARY CASE PROCEDURES.

An unbiased investigation will show that the science of Chiropractic is not new. Its great therapeutic value has been well proven, in cases where all other methods have failed to bring relief. The body if a Physico-Chemical machine, carrying within it Life producing BATTERIES. Anatomical disrelations interfere with the Life currents. Improper nutrition clogs up and congests vital organs. Normal function depends upon FREE and UNDIMINISHED Nerve Power as well as proper diet. The scientific Chiropractor of today finds and removes any physical disrelations and allows the free and normal flow of LIVE NERVE ENERGY to the diseased organs. A non-clogging and purifying diet removes toxins and rejuvenates them. Under such a system health must ultimately return.

*If you are looking for Better Health
it would pay you well to come for a
consultation.*

Hours: 10-12 a. m.—2-5 p. m.
Fridays, 10 a. m. to 1:00 p. m.

under the act of March 3, 1879

IMPRESSIONS
OF A VISITOR

To the Editor:

Upon approaching Sierra Madre via West Central avenue there is a sense of being lifted up, which in itself is something worth while to experience, and then one glimpses the neat homes and the tall pines, the stately pepper trees and the live oaks. In the distance one has a glimpse of the American flag atop of a pole that seems to be in the center of the street. The interesting things that unfold to sight create a desire to stop and browse around in the hospitable atmosphere.

The new buildings going up and the general neatness of the city, coupled with the inviting shade of the trees and shrubbery, the apparent trend of calm, steady business will make an Around-the-Island trip shops and stores rather takes one by pleasant surprise, especially in the business center where the street turns to pass the station, there is a curious desire to look ahead for other surprises and then comes the natural setting of the mountains in their blue and purple haze in the immediate distance.

It is not amiss to compliment you on the clean cut appearance of your paper with its many interesting items of local interest and its snappy advertisements which, by the way, are so different from the average glamorous smashes of black used in the so-called high pressure ads used in pushing wild land and lot bargains.

The newspaper always reflects the spirit of the locality and to see your city and your paper is indeed a pleasure.

PARKE VAWTER.

SCHOOL NEEDS
IN RELATION
TO THE BONDS

Sierra Madre, May 20—Editor of Sierra Madre News: I agree in the main with Miss M. B. Davis, whose letter appeared in last week's News. An auditorium to seat 600 people would be an extravagant superfluity only pleasing to those whom the San Francisco Argonaut calls "Squanderationists."

"Economy with efficiency" would be a very good slogan for school builders, and although Sierra Madre happily can never be a large city, it is a long way for little feet from east to west of her limits; therefore put the necessary buildings somewhere near her eastern limits. In these automobile days, it would not be a difficult task to transfer teachers of certain subjects from one school to another.

I could offer many criticisms of the present school system, but this is not the time, but it is the time to object to expenses that have nothing whatever to do with real "learning."

Sincerely yours,
JULIA EDITH BLUMER.
(Mrs. J. G. Blumer.)

Wig and Robes Expensive.

The wig and robes of an ordinary English judge cost approximately \$2,000. The lord chancellor, the attorney general, the lord chief justice, the master of the rolls and lord justices of appeal are even more expensively dressed.

Writing and Reading.

Never write on a subject without having read yourself full on it and never read on a subject till you have thought yourself hungry on it.

Well Instructed.

The Judge—"Now, are you sure you understand the nature of an oath?" The Youth (scared stiff)—"Sure; and I yer caddy down at the links?"

INSISTENT ON
DISTANCE TO
NEW BUILDING

Sierra Madre, May 21—Editor of Sierra Madre News: It was not my intention to start a controversy regarding the distance between the present school buildings and the proposed new buildings, but the note you made in my letter, in last week's News, is misleading.

The present school is on Highland avenue, the proposed new buildings to be on Grand View avenue. On Auburn avenue, after leaving Highland, one comes first to Victoria Lane, second to Laurel avenue, third to Grand View—three full blocks. On Hermosa avenue the distance between Highland and Grand View is the same.

This distance would necessitate separate buildings, heating, lighting, sewage, separate teachers, and would be practically an entirely separate school. Hence, my contention that it should be in another section of town, where it is more needed, and where it will be necessary to have a school at some time.

This discussion of streets, however, brings up a matter that is going to be a serious proposition in the future. Laurel avenue is growing rapidly, both east and west. As the large tracts of ground west of Lima street are opened up and subdivided, Laurel avenue will extend from one end of town to the other. A demand will be made to open the street between Auburn and Hermosa across the school grounds. The statement has been made that a street would never be opened through a school ground. That is too absurd! Past history of all cities and towns shows that when a right of way is needed by the public no obstacle is considered. As this is only one block from Baldwin avenue, it is not likely that it will long remain blocked. Obviously, then, there would be two separate school plants.

The older residents of Sierra Madre will remember that shortly after we had bought our present school grounds a demand was made for one-half of a street from Highland avenue to Grand View, to be given from the school grounds. A howl of protest arose, mass meetings, and a lot of hot air, but to no purpose. One-half of what is now Hermosa avenue was taken from the school property, a long slice of ground.

Yours respectfully,
MINNIE B. DAVIS.
150 West Grand View.
NOTE

[It is useless to quibble over the number of blocks from the present school plant to the proposed new building. The trustees say it will be located directly north of the present main building, and fronting on Grand View avenue. Its south front will stand on the upper part of the present play ground. Thus, the building will be partly on the present school property and partly on contiguous property now owned by Miss Davis and which she says frankly she does not wish to sell.—Editor.]

"IF I WAS GIVING ADVICE
To a Bride--

which I am too sensible to do," said Aunt Julia, "I'd tell her that if she keeps her husband thinking he's the most wonderful thing that ever happened, he's not likely to go around hunting for dust in the corners.

"My sentiments on being happily married are—Spend less time on your house and more time on yourself and your husband."

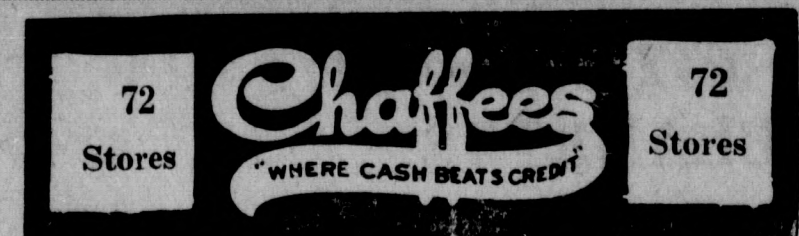

You may not agree with Aunt Julia's diagnosis of women, but hundreds of women will tell you that our laundry does save many valuable hours from household routine.

Shall we save some time for you?

Garden Fete Planned For Sat., May 31

Members of the Woman's Club are busy this week in preparations for the Garden Party at the home of Mr. and Mrs. Lehner, on the corner of Central and Sunnyside. May 31st is the day set for the festivities, and one will find something doing all day long.

There will be a rummage sale where one can secure wonderful bargains at the booths and tables.

A table of flowers, bulbs and plants in charge of Miss Jean Woodward and Mrs. Dingman.

A fancy work table in charge of Mrs. George Ferris and daughters and Mrs. Frank Hart.

Home made candy table presided over by Mrs. Sadler and Mrs. Woodson Jones.

Cooked food will be in charge of Mrs. Dietz and Mrs. Blakeslee.

Tea or coffee and sandwiches or cake will be served during the afternoon for 25 cents by Mrs. Ingraham and Mrs. Howard. Parties are solicited.

Dinner served for 75 cents, including Mrs. Walker's favorite lemon cream pie.

A two-reel educational film will be shown during the evening, admission free.

Mr. and Mrs. Lehner are sparing no pains in making their beautiful grounds even more attractive and comfortable for the expected guests, and they have also in doing this, the very efficient help of their neighbor, Frank Monroe Smith.

If anyone has Japanese iris bulbs to dispose of please let the committee have them to sell at the party and help swell the funds.

All are looking forward to a day full of pleasure in the lovely outdoors in this most beautiful season of all the year.

—Club Correspondent.

The Union Pacific announces a permanent reduction in local passenger fares between California, Nevada and Utah points on its lines west of and including Salt Lake City. The new rate from Los Angeles to Salt Lake City is \$28.05 instead of \$41.39 as formerly.

NEWS WANTADS PAY

SOCIAL & PERSONAL

Mrs. L. E. Lyon is spending the summer at Redondo Beach.

Mr. and Mrs. F. B. Seeley and Mr. and Mrs. M. D. Welscher are in San Francisco for several days.

Mrs. Mary E. Howison, mother of Mrs. C. J. Harriman, left last week for Liberal, Kansas, to visit relatives. She will continue her journey as far east as Ohio, and expects to be absent about a year.

Miss Katherine Wright arrived Sunday night from Detroit to join her father, George A. Wright, who is now having the pleasure of showing her the beauties of California for the first time.

A dance and card party will be given at St. Rita's auditorium, Wednesday, May 28, at 8 o'clock. Tickets may be procured in advance at Woodson F. Jones' store. Admission 50 cents. There will be prizes and refreshments. Good music is assured as the orchestra will consist of Mrs. Wm. Murphy, Boise Johnson and E. Halstrum.

Their many friends in Sierra Madre are regretful to know that Mr. and Mrs. Chappell of East Highland street left Thursday for Virginia. Richmond was Mrs. Chappell's girlhood home, although she and Mr. Chappell came to Sierra Madre from Los Angeles. It is understood that they expect to return to Los Angeles after their visit in the East.

Jack Young gave a farewell party to several of his friends Wednesday afternoon. His guests were Virginia Yerxa of Pasadena, Marjorie Staples, Edith Hawks, Charlton Schwartz, Don Parker, Roland Woodward. Games and refreshments were enjoyed. Thursday Carl Young entertained Catherine and Jim Sinnott, Bob Shtamer, Billy Wark and Gerald Ward.

Dr. Thomas Warden of 269 East Laurel and Thomas W. Neale, 177 N. Mt. Trail avenue, left Wednesday for a five days' fishing trip in the back country of San Diego. They motored to Sweetwater, but expected to venture much farther back, at least until they find where the fish "most do congregate." Both "Toms" are ardent anglers and this is only one of their many quests for the elusive trout. Judging by the string they usually bring back the trout they have known are not so successful at evasion as trout are reputed to be.

Mrs. Ralph Stover and Mrs. C. C. Kellogg entertained at the home of Mrs. Stover, 77 East Laurel avenue, recently with a "rainbow luncheon" in honor of Miss Leila Kellogg. Ribbons of rainbow hue were draped to various places at the end of which were little yellow bags filled with rice. When Miss Kellogg undid her package, a lovely diamond ring officially announced her engagement to Mr. Donald Hosford, son of Mr. and Mrs. R. Ben Hosford of Fern Lodge. About fifteen guests were present representing the younger set and members of the Eastern Stars of which Miss Kellogg is a member.

Mrs. Carl Young, who is leaving Thursday with her sons, Carl and Jack, for Chicago, has been entertained extensively recently. She was given a surprise farewell party at her home by several of her friends Sunday. They were Mrs. A. Walt

Tourelle, her sister, Mrs. Weisert, and daughter, Dorothy, of Alhambra, who are leaving soon for New York; Mr. and Mrs. Robert Dalzell of Long Beach, who were on their way to San Diego, and Mr. and Mrs. Jim Parsons of Alhambra. Tuesday Mrs. Young was the guest of honor at a luncheon given at the Biltmore by Mr. Dalzell Hatfield of Chicago. The guests were Mr. and Mrs. Richard Leaf and Mr. and Mrs. J. H. Forsyth of Glendale. Next Sunday Mr. and Mrs. Richard Leaf and Mr. and Mrs. Forsyth will entertain at dinner for Mrs. Young.

CHIROPRACTIC OFFICE

Dr. Fannie I. Medow of Chicago has come to Sierra Madre to reside and will practice her profession as a chiropractor. She will have her office at 41 South Baldwin. Dr. Medow is a graduate of the National College of Chiropractic in Chicago, and has been practicing in that city for some time. She expects to give special attention to diet and hygiene.

**Do You
know it?
is pure?**

NOT unless it is kept in the cold, even temperature of a well filled, refrigerator!

Dr. Evans, the health authority of Chicago says, "when the temperature is 60°, milk spoils before the bottle is emptied. Unless the temperature of the food chamber is kept at 55° or below the refrigerator is not worth much. If it does not keep below 60° the box is not worth the room it takes!"

The way to be sure—the one safe way, is to take ice regularly and never let your supply get too low. Your dairy delivers pure milk—see that it is kept pure until you use it.

Isn't your health worth it?

NOTICE OF PUBLIC WORK

PUBLIC NOTICE IS HEREBY GIVEN. That on Thursday, the 1st day of May, 1924, the Board of Trustees of the City of Sierra Madre, California, did, at its meeting on said day, pass a Resolution No. 183 declaring its intention to order the following street work to be done, to-wit:

To close up and vacate that portion of Grand View Avenue also known as Kinney Road in the City of Sierra Madre, described as follows, to-wit:

All that portion of Grand View Avenue also known as Kinney Road lying between the northerly prolongation of the easterly line of Santa Anita Avenue and the Section line between fractional sections 15 and 16, Twp. 1 N. R. 11 W. S. B. M. in the City of Sierra Madre, State of California.

That the exterior boundaries of the Districts of lands to be affected or benefited by said improvement, and to be assessed to pay damages, costs and expenses thereof are hereby fixed and described as follows, to-wit:

Beginning at the intersection of the northerly line of said Grand View Avenue and the northerly prolongation of the easterly line of Santa Anita Avenue as shown on the map of a part of Santa Anita Tract as recorded in Book 34, Page 41 and 42, Miscellaneous Records of Los Angeles County; thence northerly along the northerly prolongation of the easterly line of Santa Anita Avenue six hundred sixty (660) feet; thence easterly parallel with and six hundred sixty (660) feet northerly from the northerly line of said Grand View Avenue four hundred seventy (470) feet more or less to the line between fractional sections 15 and 16, Twp. 1 N. R. 11 W. S. B. M.; thence southerly along the section line of said sections 15 and 16 six hundred sixty (660) feet to the northerly line of said Grand View Avenue; thence westerly along the northerly line of said Grand View Avenue four hundred seventy (470) feet more or less to the place of beginning, excepting therefrom any portion of any public street or alley which may be included within the above described assessment district.

Reference is hereby made to said Resolution of Intention No. 183 on file in the office of the City Clerk of said City of Sierra Madre for further particulars.

A. M. UDELL,
Street Superintendent of the City of Sierra Madre.
Dated this 8th day of May, 1924.

Go This Summer where you want to go

low roundtrip fares make it easy

Plan the trip you really want to take this summer. For the low roundtrip fares on Southern Pacific Lines mean large savings.

You can go to resorts which you considered beyond your means. Or you can visit several instead of one, as you planned.

In addition, Southern Pacific carries you quickly, comfortably and at a more reasonable cost than on any other comparable form of transportation.

Ask our agent for complete information

NOTICE TO BIDDERS

Notice is hereby given that the Board of Trustees of the Sierra Madre City School District will receive sealed bids for general supplies as per detailed list now on file in the office of the Principal in the School House, Sierra Madre, Calif.

Each bid must be accompanied by a cashier's or certified check for 5% of the amount of the bid, made payable to the order of the Board of Trustees, Sierra Madre City School District; shall be opened in public Wednesday, June 4, 1924, at or about 2 o'clock p. m. in the office of the Board of Trustees at the School House, Sierra Madre, Calif. The above mentioned check shall be given

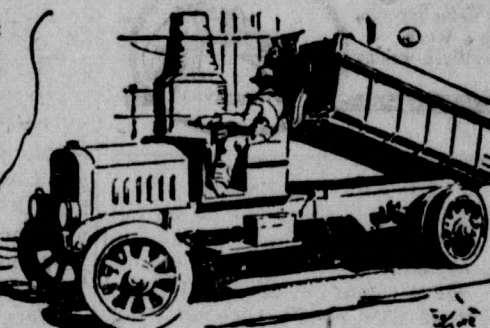

as evidence that the successful bidder will enter into contract, if awarded as bid, and will be declared forfeited if the successful bidder refuses to enter into such contract after being requested so to do by the Board of Trustees.

Bid to be awarded on the basis of a continuing contract covering a period of one year.

The Board reserves the right to reject any and all bids, and to eliminate any items, or parts of items, when awarding the contract. By order of the Board of Trustees of Sierra Madre City School District of Los Angeles County.

Signed: **MRS. FLETCHER H. WHITE,**
Clerk, Board of Trustees.

The Citizens' Transfer & Storage Company of Tucson, Arizona, operates a fleet of eighteen trucks in local and long distance hauling. Zerolene is used exclusively.

ZEROLENE succeeds "EASTERN" and lubricates better

With the passing of the superstition that there is something mysteriously "better" about eastern oils, just because they cost more, Zerolene sales have increased seven-fold in the last seven years.

The following extract from a recent letter written us by the Citizens' Transfer & Storage Company of Tucson, Arizona, has some bearing on the reasons for this increase:

"Previous to using your Zerolene oils we experienced considerable trouble with eastern oils, which were much higher in price, and we found not suited to our use. We have used Zerolene oils and greases for the past five years. Our equipment (18 trucks and 2 passenger cars) is operated continuously throughout the year and the maintenance has been confined to keeping it supplied with the proper amount of oil and grease; bearings have required only reasonable adjustment after long intervals, and no replacements. We were well pleased with our recent quarterly check on the mechanical condition of our equipment, and knowing this condition to be maintained by the use of your oils and greases, we thought your company would be interested to know of our complete satisfaction."

ZEROLENE F for FORDS

—the Standard Oil Company's new improved oil for Ford cars "Feeds Those Oil-Starved Fords."

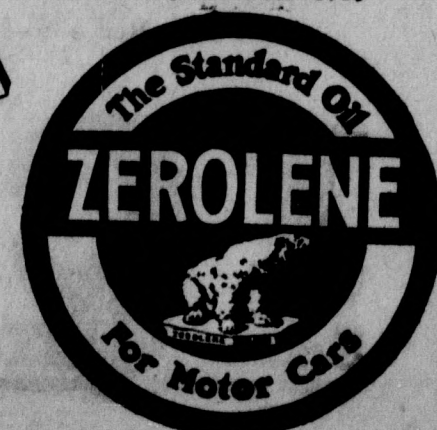

We believe that Zerolene will improve the gasoline mileage, reduce carbon deposits, and lengthen the working life of every car in which it is used.

Why pay tribute to a superstition? Insist on Zerolene even if it does cost less.

STANDARD OIL COMPANY (CALIFORNIA)

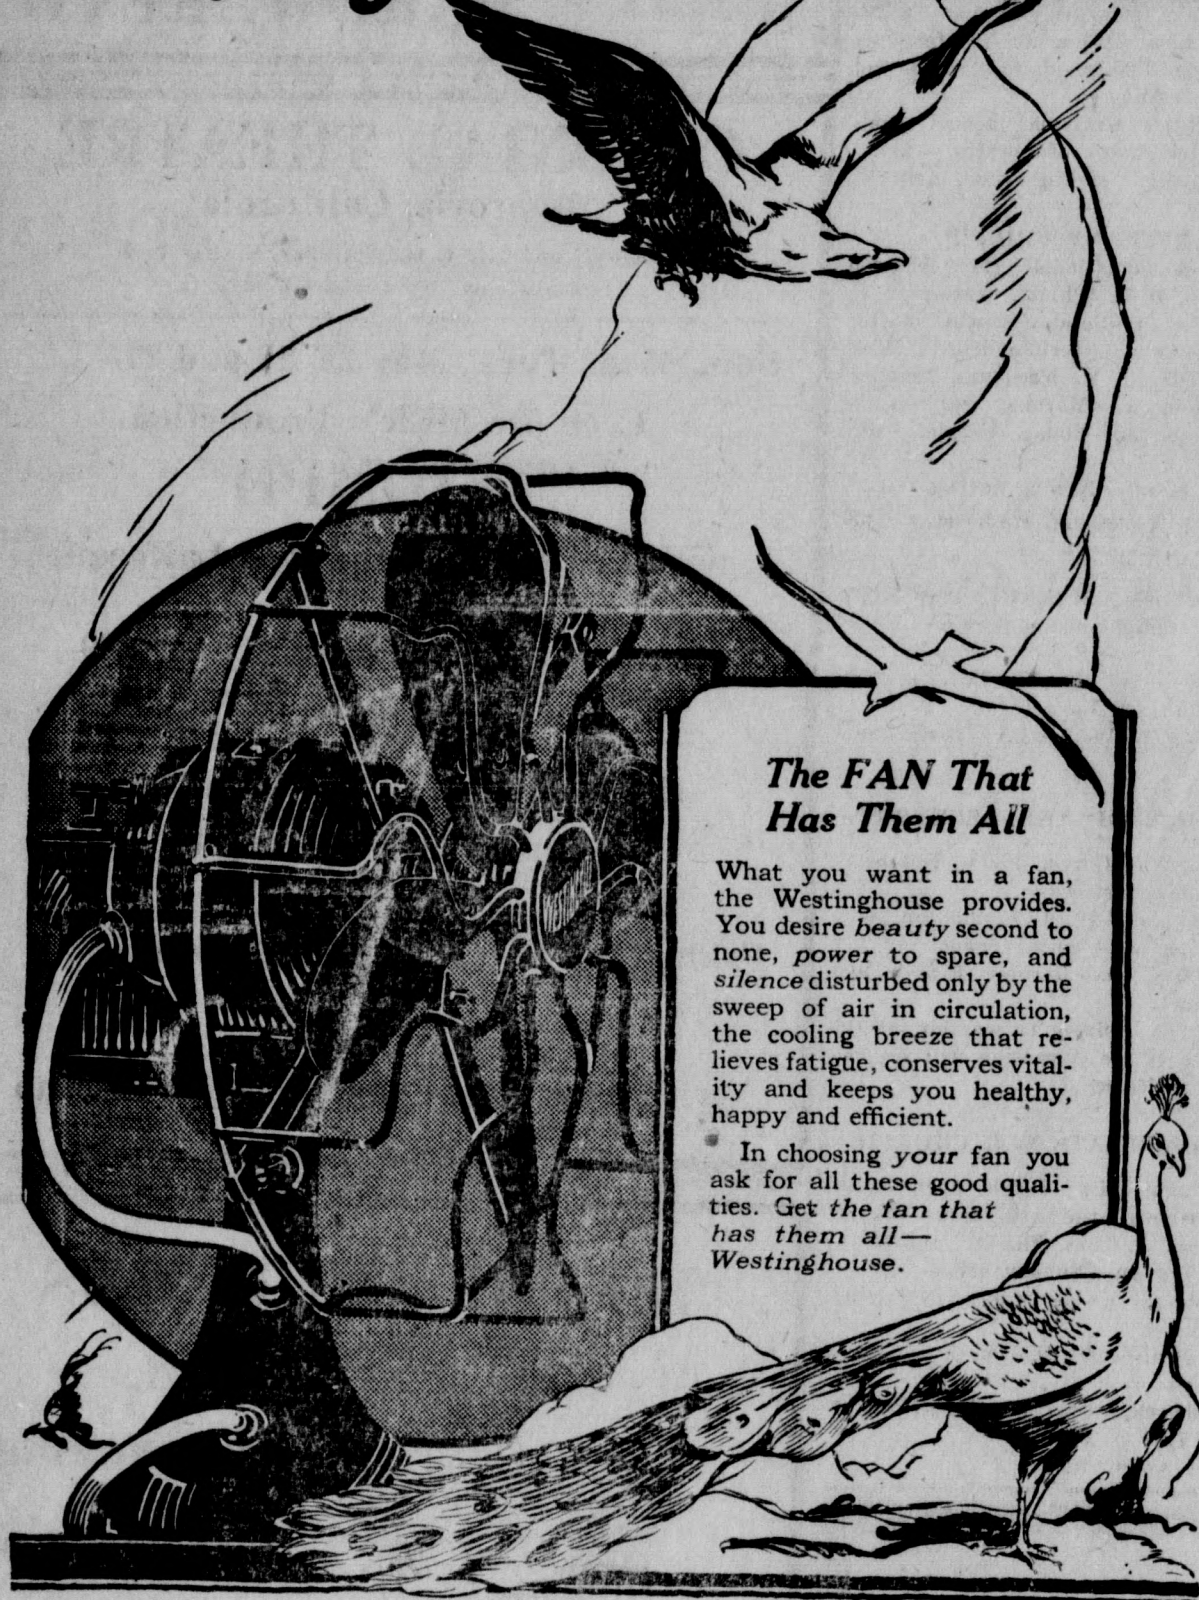

This booklet reports independent service tests of Zerolene made by a number of large users. Ask any Standard Oil Company sales representative or Zerolene dealer for a copy.

GAS COMPANY IS SPENDING BIG BUDGET

The Southern Counties Gas company will expend approximately \$2,000,000 for betterments and improvements to its system in Southern California during 1924, according to Ferdinand R. Bain, president and general manager of the company. This sum will be spent in the company's eight districts of Southern California, comprising a great part of the territory between Newport Beach on the south and Santa Barbara on the north.

In the Sierra Madre-Monrovia district approximately \$50,000 will be expended this year by Mr. Bain's company. The cost of adding 600 new consumers in Sierra Madre, Monrovia, Arcadia, South Santa Anita, El Monte and Duarte will total approximately \$42,000. A six-inch main on Primrose avenue, Monrovia, costing \$2,110, has been installed as a part of the 1924 budget. This line is for relieving low pressure conditions. Betterments on account of paving in the city of Arcadia will

total \$3,000. Miscellaneous expenditures including motor transport equipment and other items will run the company's local expenditures close to the \$50,000 mark.

The 1924 budget, divided among the company's eight Southern California districts, is as follows:

Orange County district	\$414,826
Whittier	62,771
Pomona	140,122
Sierra Madre-Monrovia	49,268
San Pedro	250,326
Santa Monica	333,822
Santa Barbara	89,295
Ventura	119,340

President Bain stated that the local gas company now serves approximately 125,000 consumers in more than 50 cities and communities of Southern California. The company began operations in 1911 when less than 4,000 consumers were served in Monrovia, Whittier, Orange County and Covina. This organization has acquired gas distribution systems and expanded its properties until today its mains extend across Los Angeles, Orange, San Bernardino, Ventura and Santa Barbara counties. The pioneer natural gas utility of this part of the state, The Southern Counties Gas organization, today received its gas supply from every substantial gas producing field of Southern California.

Calendar

May 28th, Wednesday, 2:30.
Ezra Racklin, pianist.
Mrs. Mayhew, discussion and exhibit of water colors.
May 31st, Lawn Fete.
Lehner Gardens.
June 4th, Junior Auxiliary, 4 to 6.
June 7th, Saturday, Entertainment, dancing classes.
June 11th, Wednesday, 12:30 luncheon program.
Demonstration Corn Products Co. 2:15, Parliamentary drill.
2:30, Browning afternoon, Rev. Bradford Leavitt.
June 18th, Junior Auxiliary.
June 21st, Sports Clothes dance.
June 25th, Wednesday, 2:30, Program, Mab Copeland Lineman, speaker.
Mrs. Samuel E. Stork will represent the club at the Club President luncheon given at the University club, Los Angeles, by Mrs. J. J. Carter, in the interest of the Bowi Symphony season.

Club Candidates

The official list of nominations for officers of the club, to be voted on at the annual election, is as follows:

For president, Mrs. W. J. Lawless; for first vice president, Mrs. A. F. Snell; for second vice president, Mrs. H. T. Fennel; for recording secretary, Mrs. E. E. Bacon; for corresponding secretary, Mrs. H. J. Powers; for treasurer, Miss Eleanor Bayne; for auditor, Miss Clara Sykes; for directors (4), Mrs. J. Milton Steinberger, Mrs. F. B. Seeley, Mrs. John Osgood and Mrs. E. Sturmthal.

The Misses Leona and Clara Holms are now doing parlor millinery in their home at 170 San Gabriel Court. Orders are taken for new hats and old ones are rejuvenated where the possibility of make-over seems good. Their customers report that they are doing highly satisfactory work.

Mrs. Arthur Johnson, Jr., left Thursday for Pittsburgh, Pa., where she will spend several weeks visiting relatives and friends at her former home.

SUNDAY WILL BE OBSERVED AS MEMORIAL

"The Church and War," will be the topic of the sermon by Dr. William A. Tate at the Congregational church next Sunday morning. The one great topic of discussion at the present hour is the attitude the church should take toward war. Resolutions of various sorts have been passed at every church conference during the past year regarding war, and Dr. Tate will try to crystallize the general opinion on the subject and express his opinion of what the church's attitude should be. Special music in keeping with Memorial Day will be sung by the choir.

A cordial invitation is extended to all those interested to be present at this vital and interesting sermon.

At the evening service, 7:30 p.m., Dr. J. H. McClaren of Pasadena will give impersonations of Lincoln, and Roosevelt, and recite their most important utterances. His impersonation of Roosevelt has been especially commended by the Roosevelt family and the service will be of a highly christian and patriotic order in keeping with Memorial Sunday. Several of the old time patriotic songs will be sung. Parents are invited to bring children with them to this special service.

FRATERNAL NOTES

F. & A. M.

With a dinner, some lively entertainment and a talk by Irving J. Mitchell of Los Angeles on the program, the members of Sierra Madre Lodge No. 408, F. & A. M., and all Master Masons in Sierra Madre are invited to gather at the lodge hall next Tuesday night at 6:30. As the summer season is approaching this is likely to be the last indoor social event of importance for some time. E. L. Yerxa, master of the lodge, and the committee in charge are anxious to have a very large attendance. There will be no charge for dinner or entertainment.

Irving Mitchell is president of the Masonic club of Los Angeles, past master of University lodge, and vice president of the Security bank. He is well known to many of the lodge by reason of past visits here, and will be a strong attraction, in addition to the mysterious entertainment which is promised.

O. E. S.

Past masters and past patrons were the guests of honor at the Monday night meeting of the Eastern Star chapter. Most of the matrons and patrons of former years as well as visitors from other chapters were present and were received with appropriate honors. Following the chapter meeting there was a novel and delightful social hour arranged by a committee headed by Mrs. Milton Steinberger. Quaint little old fashioned hats for the ladies and "side burns" for the men caused amusing transformations. Projection of baby pictures on a screen made possible an amusing guessing contest. Home made pumpkin pie and coffee rounded out a delightful evening, which was enjoyed by about eighty people.

On Friday evening, June 27, the Eastern Star Chapter plan to hold a garden party and dance.

Mrs. James Passes

Mrs. William James, Jr., who came from Wichita, Kansas, to California to recover her health, died last Monday morning from tuberculosis at the home of her parents, Mr. and Mrs. E. F. Neill, 205 N. Hermosa. Mrs. James was a graduate of the Oregon Agricultural College and took special work in physical education at the La Crosse Normal school, Wisconsin.

Before her marriage Mrs. James was a physical director in the New York public schools and later in the Y. W. C. A. of Kansas City. She was a young woman of splendid ideals and earnest christian faith. To one so active in body and so intensely interested in physical education her illness was a very trying experience but she bore it bravely and with happy courage.

Besides her parents she leaves a sister and husband to mourn her loss. Dr. W. A. Tate of the Congregational church officiated at funeral services held Wednesday afternoon at 2 o'clock. Interment was in the Pasadena Cemetery.

JUNIORS WILL TAKE OFFICE

One of the features of the Woman's club next Wednesday will be the installation of the officers of the new Junior Auxiliary. It has been decided to hold meetings twice a month, from 4 to 6 p. m., the next meeting coming on June 4.

The object of the club is to foster interest in poetry, drama and current events. All girls interested are urged to come to the club house on June 4 at 4 o'clock and show their interest in things worth while as well as in affairs purely for amusement.

SUMMER FIRE HAZARD WORSE THAN NORMAL

With the opening up of the mountains after weeks of quarantine due to the foot and mouth epidemic, the rush of pleasure seekers has been unusually heavy along the trails. The late rains followed by warm weather brought a late and correspondingly heavy growth of grass among the mountain brush. These factors combine to present an unusual fire hazard at this season of the year, in the opinion of Marshal Udell.

Forest officials urge particular caution on all who go into the mountains or who have any influence on those who go there. Parents should be especially insistent in their instructions to children, and residents should advise uninformed visitors who may not be familiar with conditions prevailing in Southern California and the extreme danger from mountain fires.

Full patrol service has been started for the season all along the front of the range. Adam Mueller will patrol the front from Big Santa Anita to Eaton's Canyon. District Ranger Davis is stationed in the Big Santa Anita and has charge of the ranger stations in this part of the reserve. Elmer Hertwick is stationed in the West Fork, and the Pine Flats station will be opened next month.

Vacant lots will need to be cleaned off earlier than usual in Sierra Madre in the opinion of Marshal Udell. Notices will be sent out in a few days and work will be pushed to reduce the fire hazard from that source.

DRAMA LEAGUE MEETS NEXT

The Fourteenth annual convention of the Drama League of America and Little Theater Conference is the next gathering to demand the attention of people who try to keep in touch with forward movements of the time. The sessions will be held from May 27 to June 2 in Pasadena. Sessions on Wednesday will be at the Hotel Vista del Arroyo, and for the rest of the week at the University Church, corner of Center street and South Los Robles. Admission will be free to members and a charge of 25 cents will be made to others.

Leading figures in the dramatic world are on the program—producers, managers, authors, actors, writers and critics, as well as leading educators, ministers and club workers. The brilliant list of speakers assures something worth while every day, morning, afternoon and evening. The program is too long to present in detail but any one interested may obtain further information from Miss Glenwood Jones or Mrs. A. F. Snell.

WATER CHAMP VISITS POOL

Mariechen Wehselau, aquatic champion from the Hawaiian Islands, was a visitor at the Canyon Pool Sunday afternoon and was secured by Manager Carol House for an interesting swimming exhibition. She demonstrated various strokes, especially those used in racing, as well as diving stunts. She is on the way to Europe where she will represent Hawaii in the swimming races at the Olympic games this summer.

Manager House is looking for a big season at the Canyon pool, judging by the interest so far manifested. He has arranged some novel lighting effects which make the pool especially inviting for swimming at night when the weather becomes warmer.

DE GROOT IS STAR IN BIG PARIS GAME

Dudley De Groot of Sierra Madre, former Stanford football star, was a member of the American rugby team which played a spectacular game in Paris last Sunday. DeGroot went to Europe for the Olympic games and his team appears to be getting the best of all comers. He is the son of Mr. and Mrs. E. B. DeGroot of 41 Live Oak avenue.

The Americans defeated the French team before an excited crowd of French rugby fans. According to newspaper reports a near-riot was staged by spectators, attributed to defeat of the French by a different style play and by their resentment at the rooting of a crowd of loyal Americans.

Pupils of the 7th and 8th grades of the grammar school contributed very materially to the enjoyable program in the park on Sunday afternoon of music week. Their songs reflected great credit upon Miss Boland, director of music. Mention of the fine work of the pupils was unintentionally omitted in the report of the program last week.

NEWS WANT ADS PAY

FLAG IS GIVEN TO THE PARK

Hanging on the wall of the large room in the Park House is a beautiful American flag, presented by Mr. and Mrs. J. Milton Steinberger. In expressing their thanks to the donors the park commissioners and trustees joined in the hope that the example set would be followed by other citizens who might donate various articles of furniture or park equipment to add to its beauty or utility. Here is a fine opportunity for memorials to individuals or organizations, not in the form of monuments but as articles for the benefit and use of other people.
